Wigs and Hair Solutions for people with hair loss due to Alopecia, Chemotherapy and Radiotherapy.

“My New Hair”, is an international network of over 300 professional hairdressers who are offering their services to patients who are suffering from medical hair loss.

40 Years of Salon services have earned Aidan Fitzgerald’s Salon numerous awards and accolades. Aidan and his Team provide the ‘My New Hair’ service in Ireland in association with Trevor Sorbie, MBE.

We appreciate that thinning hair and hair loss can have a profound affect on your self esteem and cause unnecessary stress.

Plan ahead if you are going to lose your hair. Prepare yourself by sending a recent photograph of yourself to us, so we can provide a selection of hairstyles / wigs for you to choose from. Our new hairpieces are comfortable, feather-light in weight and natural looking with a fantastic range of colours to choose from, and fitted in our own private wig boutique.

An expertly styled and fitted wig or hairpiece can help regain lost confidence and in doing so help you fight your illness.

Our Salon has a warm, friendly and relaxed atmosphere with a Private Fitting Room and all the help you need to make you feel at ease. We look forward to meeting you.
